I'm reaching out for your love  
You are the only one I'm thinking of  
Let me touch you babe with all my heart  
Try to promise me, we'll never part

Whoa whoa whoa what can I say  
I need your lovin' babe, everyday  
Whoa whoa whoa, I have no pain, I'm a sane man  
Just trying to get your love, I wanna give it back

Every Monday is the beginning of my week  
Every Tuesday, I have to hit the street

Whoa Whoa Whoa what can I say  
I need to feel your body, a both night and day  
Whoa whoa whoa I feel so good when I know babe  
You love me so, yeah, I wanna hold you

You are my pride and joy  
Could you reach out baby  
I'm your little toy, yeah

Whoa whoa whoa what can I say  
I need to hold on tight to you  
Whoa whoa whoa what can I say  
Let me love you, baby, night and day

Hey hey, love, no, love is what I'm looking for  
I'm reaching out, I'm reaching out for more  
I'm reaching out, reaching out, reaching out  
I just wanna a little more of your loving, loving  
Honey, honey, honey

I need your love, I need your love  
I need you love, I need, I need your love, baby  
A little bit of love and a little bit of love and  
Good old love, need it, I need it, I need it  
Whoa whoa whoa I need your love

Give it to me, give it to me  
Just give it to me, just give it to me  
Don't make me beg you baby

I don't wanna beg you, yeah, I don't
