Love will bring you happiness  
And love will bring you sorrow  
Love can be here today, yeah  
If you don't watch out  
It'll be gone tomorrow  
But, oh baby  
Are you lis'nin' baby?  
Please don't make me cry  
No, no, no, I don't wanna cry  
Now listen to me

You gonna make me cry  
You gonna make me cry  
Are you lis'nin' to me, baby?  
Don't make me cry  
No, I don't wanna cry  
Now listen

You gonna break my heart  
Listen to me, see  
You gonna break my heart  
Are you lis'nin' to me, baby?  
Please, please don't break my heart  
No, no, don't break my heart  
Listen baby

Love is something  
It's hard to figure out  
But love is something  
The whole world ought to know about  
Are you lis'nin', baby?  
I wanna know  
Are you lis'nin' to me, honey?  
Then darlin', don't break my heart  
No, no, no, no, don't break my heart  
I want ya to hear me pray  
I feel the blues, tell me now  
Sometimes I feel sad  
Knowin' that you love me so  
But knowin' you know, you don't really know  
Baby, my little girl  
Let me tell ya, I said

I gotta, gotta, gotta hold on  
I gotta, gotta, gotta love ya  
I don't care what you do, baby  
I don't care where you go  
I don't care what you do, babe  
As long as you do it with me  
Let me tell you something, babe  
Let me tell you one more thing, babe  
Oh  
Look it here  
Look it here

I'm gonna leave you alone  
I'm gonna leave you alone  
Oh, baby, don't  
I'm gonna leave you alone, yeah  
I'm gonna leave ya  
I'm gonna leave ya  
I'm gonna leave  
I'm gonna leave ya  
I'm gonna leave ya  
I'm gone, gone, gone  
I'm gone  
I'm gone  
Just can't take it baby  
Don't, don't  
I just can't leave ya baby  
Just can't leave ya
