[Verse 1]

We're all gathered here. In your presents lord.
With our arms open wide
With lifted hands and with open hearts
We won't you to, be our guide!

[Chorus:]

Oh Lord, we need your spirit,
Your holy spirit, right now.
Oh Lord, we need your spirit,
To be a witness, for you

[Verse 2]

We wont do nothing, until you come, dear lord
Lord we are so unworthy to even call on you name
So please please please please lord hear our prayer!
And don't let our comin... be in vain!

[Chorus]

Oh Lord, we need your spirit,
Your holy spirit, right now.
Oh Lord, we need your spirit,
To be a witness, for you

[Special Chorus:]

Spirit, spirit,
Fall fresh on me.
[Repeat 3 times]

Fall down,
Fall down,
Fall fresh on me.

[Repeat]
