Before you think I love you
For just one thing
To you, my love, this might
Be the way that it seems
But I love the way
That you carry yourself
I even love the way
You wear your hair
Ain't that loving you
Ain't that loving you
For more reasons than one
Somehow, our love
Has been misled
By a lot of things
That the other men said
But I love you
Oh, yes, I do
For what you are
I love you, I love you
I love you, I love
For what you're made of

Ain't that loving you
Ain't that loving you
For more reasons than one
Has it ever occurred to you
Why I do all that I can do
Just to keep a little smile
Upon your face
It's because I love you
I love you, baby
In so many times
Somehow, our love
Has been misled
By a lot of things
That the other men said
But I love you
Oh, yes, I do
For what you are
Even love you, I love you
I love you, I love you for
What you made me become
Ain't that loving you
Ain't that loving you
For more reasons than one
Oh, baby
I love the way

You kiss my lips

Oh, baby

I love the way

You swivel your hips

Oh, baby

I love the way

That you understand

Oh, baby

I love the way...
