Honey, I will always  
Be in love with you  
Yes, I will  
Honey, I promise  
Always to be true  
Yes, I will

(CHORUS)

Not for just one hour  
Not for just one day, oh, no  
Not for just one year  
But I'll always be in  
Love with you, yes, I will

Honey, I will always  
Keep you by side  
Yes, I will  
Honey, I promise  
To keep you satisfied  
You know I will

(CHORUS)

The many ways that  
The fellas speak of love  
I know you'be before  
And I hope that you believe  
In me when I say, honey  
I love you so

Honey, I will always  
Be in love with you  
Yes, I will  
Honey, I promise  
Always to be true  
You know I do

(CHORUS)

Honey, I will always  
Be in love with you  
Yes, I will

Not for just one year  
But always
