Fish were made to swim in the ocean
And boats were made to sail on the sea
As sure as there's stars above me
I know you were made for me
(You were made for me)

A grape was made to grow on a vine
An apple was made to grow on a tree
As sure as there's stars above me
I know you were made for me
(You were made for me)

We'll have our quarrels
And you will upset me
(But what can I do)
But what can I do

You've been mine since
The first day that I met you
(Never) and I'll never
Never, never leave you

(Fish were made to swim the ocean)
Oh, yes they were
(Boats were made to sail the sea)
Oh, yeah

As sure as there's stars above me
I know you were made for me

(A grape was made to grow on a vine)
Oh, yes, they were
(An apple was made to grow on a tree)
Oh, yeah

As sure as there's stars above me
I know you were made for me

(You were made for me)
Oh, yes you were
(You were made for me)
Oh, yeah

(You were made for me)
Like a fish in the ocean
(You were made for me)
Like a boat on the sea, baby

(You were made for me)
Oh, baby, I know
You were made for me
(You were made for me)
Oh, baby, I know
You were made for me

(You were made for me)
Oh, baby, I know
You were made for me
(You were made for me)...
