Always and forever  
Each moment with you  
Is just like a dream to me  
That somehow came true, yeah  
And I know tomorrow  
Will still be the same  
'cause we got a life of love  
That won't ever change and  
Everyday love me your own special way  
Melt all my heart away with a smile  
Take time to tell me you really care  
And we'll share tomorrow together Ooh baby,  
I'll always love you forever (always forever love you)  
Ever, ever, ever  
There'll always be sunshine  
When I look at you  
It's something I can't explain  
Just the things that you do ooh babe  
If you get lonely  
Call me and take A second to give to me  
That magic you make  
And Everyday love me your own special way  
Melt all my heart away with a smile  
Take time to tell me you really care  
And we'll share tomorrow together Ooh baby baby,  
I'll always love you forever (always forever love you)  
Ooo babe x2  
Yeah babe x2, forever (always forever love you)  
Love you, love you, you  
Always, Always  
Ever, ever, ever  
Forever (always forever love you) and Always  
Oooooo Aaaaaah Love you ever, ever, ever  
And always now love you ever, ever, ever  
Guess I'm the one who x2 loves you  
Aaaalllwwaaayyyss and forever  
I love youuuu
