I'm standing on your doorstep
And I don't know what to do
Should I ring your doorbell or just walk away
My friends all say that you were never true
I'm hiding in the shadows

I hear the music coming out of your radio
Are you there with another guy instead of me
(Yeah, yeah, yeah)
I hear the laughter and there's something I've got to
know
Are you there with another guy instead of me
(Yeah, yeah, yeah)

I only know I love you and I couldn't say goodbye
So if there's another, I don't want to know
If you should go, I would surely die
I'm hiding in the shadows

And I see two silhouettes in back of your window shade
Are you there with another guy when I am gone
(Yeah, yeah, yeah)
I can't believe you'd break the promises that you made
If you're there with another guy, I can't go on, oh no
(Yeah, yeah, yeah)

You would never leave me, hurt me or deceive me
I'm a fool to doubt you, worry so about you
Love requires faith, I've got a lot of faith but
(I hear the music coming out of your radio)

I only know I love you, and I couldn't say goodbye
So if there's another, I don't want to know
If you should go, I would surely die
I'm hiding in the shadows
Yeah, (In the shadows)
Really plotting, hiding in the shadows
I'm hiding in the shadows, yeah

(Umm pah pah, pity the girl)
Pity, pity
(Umm pah pah, pity the girl)

Umm pah pitty
(Umm pah pah, pity the girl)
Umm pah pah, pity pity
(Umm pah pah, pity the girl)

I hear the music coming out of your radio
Are you there with another guy instead of me
Oh no, don't tell me (Yeah, yeah, yeah)
No I can't believe it
I hear your laughter and there's something I've got to
know
Are you there with another guy instead of me
Please don't say (Yeah, yeah yeah)
(It's a pity)

I hear the music coming out of your radio
(Umm pah pah, pity the girl)
(Umm pah pah, pity the girl)
(Umm pah pah, pity the girl)

No, I can't believe it
I hear the laughter and there's something I got to know
(Umm pah pah, pity the girl)
(Umm pah pah, pity the girl)
(Umm pah pah, pity the girl)

Yeah baby
Without my love, I pity the girl
(Umm pah pah, pity the girl)
(Umm pah pah, pity the girl)
Your radio
(Umm pah pah, pity the girl)
Oh yeah, yeah
Umm pah pah, pity the girl
(Umm pah pah, pity the girl)
(Umm pah pah, pity the girl)
