And it's gonna be tonight, yeah

I can hear you sighing  
Say you'll stay beside me  
Why must it be  
You always creep into my dreams, hey hey

Oh-oh-oh, love each way you're sitting  
Huggin' and squeezing  
Why must it be  
You always creep into my dreams  
My, my, my, my dreams

When I sleep at night, baby  
I feel those moments of ecstasy  
And when you sleep at night, baby  
I wonder do I creep into your dreams  
Or could it be I sleep alone in my fantasy

Oh, love is so amazing  
Guess you will be stayin'  
So let it be  
You always creep into my sho' nuff dreams  
(Creep, creep)

But night time is the right time dream  
(Creep, oh, right time)  
Again  
(She creep)

I can see you walking down the street  
You don't have to walk  
(You creep)  
Into my sho 'nuff dreams  
Yeah, dreams, yeah  
(You creep)

Creep creep  
Creep, creep, creep, creep  
Creep  
(Two times)  
Creep, creep

Yeah, everytime I close my eyes  
(She creep)  
Now sing it for me four times  
(Creep, creep, creep, creep)

Creep, she creep  
Creep, creep, creep, creep  
She creep
