I got your love
You need to look no further
Don't you know that
Don't you know that

After my love
You'll never need another
Don't you know that
Don't you know that

I don't make no promises I can't keep
And I promised myself that I'd love you forever
How many times must I say that
For you to understand the real thing

Don't you know that I love you so
Baby, don't you know
Don't you know that
I love you so, ooh, don't you know
Don't you know that
Oh

Without a doubt
You are my sweetest inspiration
Don't you know that
Don't you know that

I'm always down
For anything that you say
Don't you know that
Don't you know that

I love you so, yeah
I really love you, don't you know, yeah
Don't you know that
Alright, don't you know that

I really, really do, yeah
I'm really so in love with you, yeah
Don't you know that
Alright, ooh, yeah

I used to doubt every girl that I'd meet
I thought that nobody could knock me off my feet
But you are the one who made my heart's bell ring
And that's why I'm sure that this is the real thing, yeah

Don't you know that I love
Don't you know, ooh, ooh
Oh, don't you know that I love
Don't you know, oh, yeah
Don't you know that I love you so
Don't you know that
I bet a million dollars that you know

Don't you know that
Hey, baby, really don't you know that
Ooh, don't you know that
Don't you know I, don't you know I love you

Don't you know that
Hey, baby, really don't you know that
I love you
