I wanna tell you, baby
The changes I've been goin' through
Missin' you, missin' you, oh...oh...
Till you come back to me
I don't know what I'm gonna do
N-n-n-no, n-n-no

Don't you remember you told me you loved me, baby
You said you'd be comin' back this way again, baby
Baby, baby, baby, baby, oh, baby
I love you
Yeah...I really do

Long ago
And oh, so far away
I fell in love with you
Before the second show

And your guitar
And you sound so sweet and clear
But you're not really here
It's just the radio

Don't you remember you told me you loved me, baby
You said you'd be comin' back this way again, baby
Baby, baby, baby, baby, oh, baby, yeah
I love you
I really do

(To belong) Yeah...hey...eah...yeah...hey...hey
(To belong) Whoa...ho...oh...whoa...ho...ho...
Yeah, yeah, yeah, yeah
Yeah, yeah

You looked for me to be yours
You want my love, but you're on the road
Don't you remember me anymore

Loneliness
Is such a sad affair
A sad affair

And I can hardly wait
To be with you again

And what to say, to say
To make you come again
Oh, honey
Come on back to me again, yeah, hey
I wanna be, I wanna be anywhere you are

Don't you remember you told me you loved me, baby
You said you'd be comin' back this way again, baby
Baby, baby, baby, woo, baby, oh, baby
Yes, I love you
I really do

Yeah, hey...
Yeah, yeah...eah...yeah...ooh...
Play it easy, play it easy
Keep it right there, keep it right there, keep it right
there
