**(feat. L. Richie)**

*[LV:]*

My love

There's only you in my life

The only thing that's right

Oh yeah

*[Mariah:]*

My first love (yeah)

You're every breath that I take

You're every step I make

*[both:]*

(Oh)

And I

(And I)

I want to share

All my love with you, hey yeah

No-one else will do (mh)

And your eyes (your eyes, your eyes)

They tell me how much you care

Oh, yes

You will always be

My endless love

Oh yeah

Two hearts

Two hearts that beat as one

Our lives have just begun

And forever (forever)

I'll hold you close in my arms

I can't resist your charms

No no no (no no no)

And I

(And I)

I'd be a fool

For you, I'm sure

You know I don't mind (no, you know I don't mind)

'Cause baby you (baby, baby, baby, baby)

You mean the world to me, yeah

I know I've found in you

My endless love

*[instrumental break]*

Yeah (yeah)

Do do, do dooo, do do do

Whooooo

And I

I'd play the fool

For you, (for you baby) I'm sure

You know I don't mind (you know I don't mind)

Oh, yes

You'd be the only one

'Cause no-one can't deny

This love I have inside

And I'll give it all to you

My love (my love, my love)

My my my

My endless love

Mmh

My love
