Love, soft as an easy chair
Love, fresh as the mornin' air
One love that is shared by two
I have found with you

Like a rose under the April snow
I was always certain love would grow
And yeah love
Ageless and evergreen
Seldom seen by two

So you and I will make each night a first
Everyday a beginning, yeah
Spirits rise and they're dancin' unrehearsed
They warm and excite us, yeah yeah yeah
'Cause we have the brightest love

Woh oh oh, two lights, two lights that shine as one,
yeah
Morning glory and a midnight sun
Time we learned to sail above
Time the world changed the meanin' of, no no

Ooh one love
Ageless and ever
Evergreen
