FOREVER, FOR ALWAYS, FOR LOVE

Luther Vandross

(album: Forever, For Always, For Love - 1982)

Spoken:

I sing this song

To remind myself that

There was a time when I

Didn't have no one

Didn't have no love

Do you remember

The love that we once had

Well, if I had the chance to love you again

I would make your heart forget I was ever bad

If we forgive the past

I know this time love would last

Forever, for always, for love

I'm not coming home anymore

Does it matter?

Well, if I had the chance to hold you again

I would fill your heart with joy

And make you know that I'm the only one for you

Let's throw the bad memories out

And make this the first day of our

Forever, for always, for love

I'd be a fool to ever change

If she said she loves the way I, I am

I'd be a fool to ever change

If she said she loves the way I am

It's gonna be starting here, starting now Yeah Yeah

Yeah

Forever, for always, for love

Do it for the ones we love

And let no one

Forever, for always for love

In love

Can't help myself

Comes from my heart

Fade
