Flower's bloomin', mornin' dew and the beauty seems
to say

"It's a pleasure when you treasure all that's new and
true and gay"

Easy livin' and we're givin' what we know we're
dreamin' of

We are one, havin' fun walkin' in the glow of love
We're walkin', ooh

Smilin' faces, goin' places, it's a wonder, it's so clear
By a fountain, climbin' mountains, as we'll hold each
other near

Sippin' wine, we try to find that special magic from
above

As we share our affair talkin' in the glow of love
Yeah, yeah, in the glow of love, ooh

Here in glow of love

(You're a shinin' star)

Here in glow of love

(No matter who you are)

Here in glow of love, here in glow of love

(So I want to let you know you move me, yeah, yeah)

There is no better way to be

(Hold me, caress me)

I'm yours forever and a day, hey

(We are a sweet bouquet, oh yeah)

Seasons for happiness are here

(Happy we're so happy)

Reason we're filled with cheer is

We'll imagine in the glow of love, yeah

Ooh yeah yeah yeah yeah yeah

In the glow of love yeah, ohh yeah come on

Never lonely with you only time will always be our
friend

Reaching far to find a star, our destiny is Heaven sent

Making on this lovin' tone, we'll never part, the two of
us

We'll always reminisce kissin' in the glow of love

In the glow of love, we wanna be

Here in glow of love
(Gotta let you know you movin' me, yeah)
Here in glow of love
(You really, really do, yeah)
Here in glow of love
(I gotta let you know you movin' me, yeah)
Here in glow of love
(Oh, yeah yeah yeah yeah yeah, ohh yeah yeah yeah)

There is no better way to be
(Honey, I love you)
I'm yours forever and a day, hey
(We are a sweet bouquet, oh yeah)
Seasons for happiness are here
(Happy we're so happy, yeah)
Reason we're filled with cheer is
We'll imagine in the glow of love
