"Goin' Out Of My Head"

Well I think I'm going out of my head
Yes I think I'm going out of my head over you, over you
I want you to want me I need you so badly
I can't think of anything but you yeah
And I think I'm going out of my head
Cause I can't explain these tears that I shed
Baby over you over you
I see you each morning
But you just walk past me
You don't even notice I exist

Going out of my head over you baby
Out of my head over you darlin'
Been out of my head oh baby
I must think of a way into your heart
There's no reason why
My being shy should keep us apart
Ummm

Yeah Ohhhh - Shoobop shoobop baby
Shoobop Shoobop my love
I see you each morning
But you just walk past me
You don't even notice that I exist

Going out of my head over you darlin'
Out of my head over you
Out of my head
Im going going going going going
Girl Girl Yeah
I'm Going going going going going
Com' on
Give me give me your loving
Com' on
Give me give me your loving
