What good is the money when lately we've been missin'
each other?

'Cause we've got work and kids, you know how it goes
Monday through Friday, nine to five
We spend most of the time chasin' that dough

But not tonight, we're gonna both get fly
Call your momma, tell her come over so we can have
quality time
'Cause it's been too long since I held you in my arms
I can't wait no more, I'm ready to ooh

You make me wanna do thangs, do thangs
Them grown thangs, do thangs with you, ooh
Tonight we gon' forget our worries
Put the kids to bed, I'm goin' out instead with you, ooh

Girl, put that celly down, don't even peek at your pager
now
Just chill, relax, the kids will be cool
Grab two more Cosmos, we ain't thinkin' about
tomorrow
We're in a club full of people but it feels just like me
and you

My baby's looking hot tonight, catching everybody's
eye
Look at them starin', but I ain't carin' 'cause I know
you're mine
We should do this more often, got a fella feelin' kinda
flossy
I can't wait to make your body go, ooh

You make me wanna do thangs, do thangs
Them grown thangs, do thangs with you, ooh
Tonight we gon' forget our worries
Put the kids to bed, I'm goin' out instead with you, ooh

You make me wanna do thangs, do thangs
Them grown thangs, do thangs with you, ooh
Tonight we gon' forget our worries
Put the kids to bed, I'm goin' out instead with you, ooh

You know how it goes
Keep chasin' that dough

I'll ring the bell like I used to do, hold the door for you,
let you through
Take your hand and talk to you, make you know you're
my star
I'm gonna woo ya, yeah yeah, say pretty words to ya,
yeah yeah
Send chills right through ya, ooh yeah, and remind you
how loved you are

Do thangs, do thangs
Them grown thangs, do thangs with you, ooh
Tonight we gon' forget our worries
Put the kids to bed, I'm goin' out instead with you, ooh

You make me wanna do thangs, do thangs
Them grown thangs, do thangs with you, ooh
Tonight we gon' forget our worries
Put the kids to bed, I'm goin' out instead with you, ooh

You make me wanna do thangs, do thangs
Them grown thangs, do thangs with you, ooh
Tonight we gon' forget our worries
Put the kids to bed, I'm goin' out instead with you, ooh

Do thangs, do thangs
Do thangs, do thangs
