HOW DEEP IS YOUR LOVE

Barry, Robin and Maurice Gibb

(album: NEVER LET ME GO - 1993)

I know your eyes in the morning sun

I feel you touch me in the pouring rain

And the moment that you wander far from me

I wanna feel you in my arms again

And you come to me on a summer breeze

Keep me warm with your love

Then you softly leave

And it's me you need to show

How deep is your love

Baby, I really mean to learn

'Cause we're living in a world of fools

Breaking us down, when they all should let us be

We belong to you and me....

I believe in you

You know the door to my very soul

You're the light in my deepest, darkest hour

You're my saviour everytime I fall

And you may not think that I care for you

When you know down inside that I really do

And it's me you need to show

How deep is your love

I really mean to learn

'Cause we're living in a world of fools

Breaking us down, when they all should let us be

We belong to you and me....

Fade

How deep is your love

I really mean to learn

How deep is your love
