I, I who have nothing
And I, I who have no one
Adore you and want you so
I'm just a no one with nothing to give you
But ohh, I love you, hey, hey, baby

She, she buys you diamonds
Said they're bright, they are bright sparkling diamonds
But believe me, boy, ooh boy, hear what I say
She could give you the world but she'll never love you
The way that I love you, baby

You can go any place you want
To fancy clubs and restaurants
But I can only watch you with her
My nose pressed up against, yeah, the window pane
The window pane, ooh yeah, ooh yeah, ooh yeah

I, I who have nothing, nothing
I, I who have no one, no one
Must watch you, I will watch you baby, go passing by
But you don't see me wrapped in the arms of

Somebody else when darling it's I
Who, hey baby, really loves you, baby
Really loves you, baby, I'm the one
I'm the one, I'm the one, yeah, yeah, ooh yeah

I wanna be the one that you just can't live without
I wanna be the one that you never feel no doubt
I wanna be the one that you let give you the lovin'
But I have nothing, nothing, ooh yeah, ooh yeah, yeah,
yeah

I wanna be the one that you always want to be near
I wanna say the words that your body and soul need to
hear
I wanna be the one that you let give you all the lovin'
But I have nothing, nothing, ooh nothing, yeah
