I'm only human, baby
Ain't I allowed to make mistakes
You put your guilt on me
And it's causing my poor heart to break, yeah
Making me the human that I am

Won't you forgive me, baby?
I'm only human, baby
Won't you forgive me for that?

Won't you forgive me, baby?
I'm only human, baby
Won't you forgive me for that?

Your love can be so strong
It makes it hard to give some back
So I try and I try and I give and I give
And I get so darn excited I can't relax
Making me the human that I am

Won't you forgive me, baby?
I'm only human, baby
Won't you forgive me for that?

Won't you forgive me, baby?
I'm only human, baby
Won't you forgive me for that?

When we search for love, we must be lucky, baby
And it's because there are many people in the world
Who think love is not that necessary
I had you and I blew it all

Won't you forgive me, baby?
I'm only human, baby
Won't you forgive me for that?

Won't you forgive me, baby?
I'm only human, baby
Won't you forgive me for that?

And now I know for sure, I must be lucky, baby

You chose me out of all the people in the world
And I think love is very necessary
You've forgiven me after all, 'cause I let you know

Won't you forgive me, baby?
I'm only human, baby
Won't you forgive me for that?

Won't you forgive me, baby?
I'm only human, baby
Won't you forgive me for that?

Just like you, my love
Just like you, my baby, only you
Just like you, my love
Just like you, my baby
If you forgive, if you forgive me too
