What's up my people?

You know

I am your weather man Busta Rhymes

I've come today to give you your weather forecast

you know today looks like one of those beautiful days

you know? to be perfectly honest,

there aint a cloud in the sky

you know this is the kind of weather you take your girl
to the beach

lay her down and talk to her

Luthor, step to the microphone

When i wake up in the morning love

And the sunlight hurts my eyes

something strange without a one in love

That is heavy on my mind

then i look at you

and the world is alright with me

just one look at you

and i know it's gonna be

Chorus

a lovely day

oohh..

a lovely day

it's gonna

when the day that lies ahead of me

seems impossible to face

when somebody else instead of me

always seems to know the way

then i look at you

and the world is alright with me

just one look at you

and i know it's gonna be

a lovely day (lovely day, lovely day, lovely, come on

come on

a lovely day

say it

say it

(it's gonna be a lovely day) it's gonna be
it's gonna be today ooohh yeah
(it's gonna be a lovely day) today i love the world, and i
love you yeah

Busta Rhymes

Huh

lets take a ride baby
and park under a lamp post
recline your seat, relax and lets listen to Mr. Vandross
I'm watching how my mami watching her do
creatin a situation to put us right in the mood
i've got plenty suggestions on things we can maybe do
especially when we rockin the songs we make babies to
you know the way we do baby
and as we lay i look at you
i sit back and think how today was such a lovely day

(Lovely day, lovely day lovely day come on come on)
It's gonna be a lovely day
oooh yeah

(it's gonna be a lovely day) it's gonna be
(it's gonna be) today
(it's gonna be a lovely day) today i love the world
LET'S SING IT TOGETHER
it's gonna be today, oh lovely day
it's gonna be today, all day long
today is
gonna be
so lovely yeah
and i think im gonna go
cuz i heard so much about it
maybe i go for a little while
and i love everything about it
not a sexy anywhere
