Superman can fly high, way up in the sky
'Cause we believe he can
So what we choose to believe can always work out fine
It's all in the mind

So think of a place and imagine a time
Imagine a time, imagine a time
And let's go be lovers

Believing me, ooh we baby
Is believing right, yeah, yeah, yeah
And

I wanna love, wanna have, wanna hold you girl, girl
So make me a believer
Wanna love, wanna love, wanna love
Wanna love, wanna love, wanna girl
I wanna love, wanna have, wanna hold you girl, girl

Ooh, so near
And forever keep you here
Forget all about whatever we fear, whatever we fear

And let's just be lovers
Loving and loving, oh love is the way
To make me stay, make me stay

Yeah, I know the way to persuade me over to your side
And I am sure you can
So if you get me to believe
It all will work out fine
'Cause you'll blow my mind

So let's pick a place and a day and a time
A place and a day and a time
And then we'll be lovers
Loving and loving, oh love is the way
To make me stay, make me stay

I wanna love, wanna have, wanna hold you girl, girl
So make me a believer
Wanna love, wanna love, wanna love

Wanna love, wanna love, wanna girl

I wanna love, wanna have, wanna hold you girl, girl
So make me a believer
Wanna love, wanna love, wanna love
Wanna love, wanna love, wanna girl

I wanna love, wanna have, wanna hold you girl, girl
So make me a believer
Wanna love, wanna love, wanna love
Wanna love, wanna love, wanna girl
