At times I don't believe that I can't control my heart
It skips a beat even before the lovin' starts, yeah
I seem to fall in love with just the slightest touch
And even the little things begin to mean so much
And though I should hold out longer
Just to make sure things get stronger

You tell me that you love me, yeah
And before I'm sure you really do
You say you love me more and more each day
And that's when my sensitivity gets in the way

My sensitivity
Yeah, yeah, hey baby
Then I can't help but love you no, no, no, no
My sensitivity
Yeah, then I can't help but love you

It's hard for me to play those fancy games of love
But just say the right thing baby and it's automatic love,
yeah
I try not to let you know how easily I go
Off into lovers land just when you touch my hand
And though I should wait to see how things are gonna
really be

You tell me that you love me
And before I'm sure you really do, oh yeah
You say you love me more and more each day, yeah
And that's when my sensitivity gets in the way

My sensitivity
Then I, then I can't help but love you no, no, no, no
My sensitivity
Then I can't help but love you

My sensitivity
Then I can't help but love you, no way, no way
My sensitivity
I can't help but love you, oh no

My sensitivity

Then I, then I can't help but love you, no baby yeah
My sensitivity
Then I can help but love you

My sensitivity, love you
My sensitivity, love you
My sensitivity, love you
