Bells will be ringing the glad, glad news  
Oh, what a Christmas to end the blues  
My baby's gone, I have no friends  
To wish me greetings, ooh, once again

Choirs will be singing Silent Night  
Christmas carols by candlelight  
Please come home for Christmas  
Please come home for Christmas  
If not for Christmas, by New Year's night

Friends and relations send salutations  
Sure as the stars shine above  
This is Christmas, yeah, Christmas my dear  
The time of year to be with the one you love

So won't you tell me you'll never more roam  
Christmas and New Years will find you home  
Please come home for Christmas  
Please come home for Christmas  
If not for Christmas by New Year's night

[Instrumental interlude]

There'll be no more sorrow no grief and pain  
And I'll be happy, happy once again
