Yeah, yeah

In the mirror of my mind
Time after time
I see reflections of
You and me

Reflections of
The way life used to be
Reflections of
The love you took from me

I'm all alone now
No love to shield me
Trapped in a world that's
A distorted reality
(Nothing's real)

Happiness you
Took from me
And left me alone
With only memories

Through the mirror of my mind
Through these tears that I'm crying
Reflects the hurt I can't
Control

'Cause although you're gone
I keep holdin' on
To the happy times
Ooh when you were mine

As I peer out through the window
Of the lost time
Looking over my yesterday
And all this love I gave all in vain
(Nothing's real)

(All the love)
All the love that I've wasted
(All those tears)

All the tears that I've tasted
(Ooh, ooh, ooh)
All in vain
(All in vain, till nothing remains)

Through the hollow of my tears
I see a dream that's lost
From the hurt, hey, hey
That you have caused

Everywhere I turn
Seems like everything I see
Reflects the love that
Used to be, yeah

In you I put
All my faith and trust
And right before my eyes
My world is turned to dust

After all those nights
I sat alone and wept
Just a hand full of promises and
All that's left of lovin' you
(Nothing's real)

Reflections of
The way life used to be
Reflections of
The love you took from me

In you I put
All my faith and trust
Right before my eyes
My world's turned to dust

Reflections of
(Oh yeah)
The way life used to be
(Yeah)
Reflections of
(Love you took)
The love you took from me
(I'll remember)

In you I put
All my faith and trust
(Remember, remember)
Right before my eyes
My world is turned to dust

Reflections of
The way life used to be
