If at first in love you lose  
Don't give up, try again and  
Love will be better, better than ever  
The second time around  
Love will be better, better than ever  
The second time around.

So you wanted to be  
Everything you'd hear him say he'd always needed  
But "You 're my everything" and, "You mean the world  
to me"  
Were things that he never said

It's such a silly thing  
For you to say  
That you don't want love around  
Don't you know that...

Love will be better, better than ever  
The second time around...ooh, yeah  
Love will be better, better than ever  
The second time around

I wish there could be  
The kind of love  
Where there would be no wrong  
So that heartache and pain  
And the misery of a bad love

Would all be gone

To get over the first love  
Is kinda hard, baby  
But don't let it get you down  
Don't you know that...

Love will be better, better than ever  
The second time around...ooh yeah  
Love will be better, better than ever  
The second time around

To get over the first love  
Is kinda hard, baby  
But don't let it get you down  
Trust me baby  
Love will be better, better than ever  
The second time around...
