I wanna tell you babe.....
The things that I have been going through
Missing you
Missing youoh oh
Until you come back to me
I don't know what I am gonna do
Oh no no no no.....

Don't you remember you told me you love me babe.....
You said you'll be coming back this way again...
Babe babe babe babeoh babe yeah
I love you
I really do.....

Long ago
And so far away
I fell In love with you
Before the second show
And your guitar
And you sound so sweet and clear
But your not really here
It's the radio

Don't you remember you told me you love me babe.....
You said you'll be coming back this way again...
Babe babe babe babeoh babe yeah
I love you
I really do.....

To be yours --(background singers)
Hey hey hey hey(Luther)
To be yours (background singers)
Oh oh oh oh yeah yeah yeah yeah (Luther)
You look for me to be yours (Luther)
To be(background singers)
But your on my mind
But your on the road
Don't you remember me anymore.....
Don't you know me, don't you know me.....

And Loneliness
Is such affair

Sad sad sad affair
And I can't hardly wait
To be with you again

And what to say
To say
To make you come again
Oh oh honey
Come on back to me again (yeah)
I wanna be
I wanna be
Anywhere you are.....

Don't you remember you told me you love me babe.....
You said you'll be coming back this way again...
Babe babe babe babeoh babe yeah
I love you
I really do.....

Yeah yeah yeah yeah oh oh oh
Take it easy
Take it easy
Keep it right there
Keep it right there..keep it right
Yeah yeah yeah yeah
What are you going to say
It's alright
It's alright
And oh babe it's alright it's alright
Alright now
Alright nowyeah yeah

I used to be sad,
But now it's alright it's alright
And Oh babe it's alrightalright now
Alright now(fade)
