Yeah, yeah, oh yeah  
Here it is

She called me by surprise I must say  
'Cause I never have seen such a pretty face  
With such a warm and beautiful smile  
It wasn't hard for me to notice her style

I was fascinated, surely  
She took my heart and held it for me  
I wouldn't let her get away  
Not until she heard me say

Excuse me Miss, but what's your name, where are you  
from  
And can I come and possibly, can I take you out  
tonight?  
To a movie, to the park, I'll have you home before it's  
dark  
So let me know, can I take you out tonight?

Don't care if I get rejected, at least then I won't regret it  
Regret the fact, I missed the chance for romance  
At least I'll walk away knowing, I tried my best and I'm  
going  
I'm going on with my day, 'cause at least she heard me  
say

Excuse me Miss, but what's your name, where are you  
from  
And can I come and possibly, can I take you out  
tonight?  
To a movie, to the park, I'll have you home before it's  
dark  
So let me know, can I take you out tonight?

Excuse me Miss, but what's your name, where are you  
from  
And can I come and possibly, can I take you out  
tonight?  
To a movie, to the park, I'll have you home before it's  
dark

So let me know, can I take you out tonight?

That's why I had to come over  
And introduce myself to you  
'Cause you never know where you're gonna find love  
And hopefully I've found it in you

Excuse me Miss, but what's your name, where are you  
from  
And can I come and possibly, can I take you out  
tonight?  
To a movie, to the park, I'll have you home before it's  
dark  
So let me know, can I take you out tonight?

Excuse me Miss, but what's your name, where are you  
from  
And can I come and possibly, can I take you out  
tonight?  
To a movie, to the park, I'll have you home before it's  
dark  
So let me know, can I take you out tonight?

Excuse me Miss, but what's your name, where are you  
from  
And can I come and possibly, can I take you out  
tonight?  
To the movies, to the park, I'll have you home before  
it's dark  
So let me know, can I take you out to-tonight? Yeah
