Girl, come on over here and get under this mistletoe
with me
I'm not getting under that mistletoe with you anymore
Why not?
'Cause you don't know how to act when you get under
there
What are you talking about?
You know what I'm talking about
What?

The last time I got under that thing with you
What happened?
The last time I got under there with you, I had twins
Ooh, tell it all

I sure like to party, deep into the night
I sure love the music, it sounds so nice
But was it my imagination
When I heard the song I heard
The DJ played this one jam
That makes you wanna kiss somebody

This is the mistletoe jam
I like to party all night
And dance to the mistletoe jam
(The mistletoe jam)
Everybody kiss somebody

Glad I got big feet
'Cause they're so good for dancing
Glad you got big legs
'Cause they're so good when we're romancing

You still got the flavor
And I'm hungry for your love
So I'm gonna play this one jam
That'll make you wanna kiss somebody

This is the mistletoe jam
I like to party all night
And dance to the mistletoe jam
(The mistletoe jam)

Everybody kiss somebody

This is the mistletoe jam
I like to do it all night
And dance to the mistletoe jam
(The mistletoe jam)
Everybody kiss somebody

Jam, jam, jam
Everybody kiss somebody
The mistletoe jam
Everybody kiss somebody

This is the mistletoe jam
I like to party all night
And dance to the mistletoe jam
(The mistletoe jam)
Everybody kiss somebody

This is the mistletoe jam
I like to do it all night
And dance to the mistletoe jam
(The mistletoe jam)
Everybody kiss somebody

This is the mistletoe jam
I like to party all night
And dance to the mistletoe jam
(The mistletoe jam)
Everybody kiss somebody

This is the mistletoe jam
I like to do it all night
And dance to the mistletoe jam
(The mistletoe jam)
Everybody kiss somebody
