There's a whole lot of girls  
Messin' around trying to get me  
They do things 'cause they know  
My girl is away they try to upset me

They can't believe I resist how can I hold out  
Where is that girl now but the truth really is  
I don't worry 'cause I love my baby so

And no matter where my baby is  
She never leaves me without love  
She gives it up till I get enough  
Then I'm alright  
'Til my baby comes home

If she stays away for long  
She calls me on a phone  
I jump up when I hear her voice  
Then I'm alright  
'Til my baby comes home

I get weak in the knees  
My hands start to shakin', head gets the achin'  
Is she thinkin' of me or feelin' the fire  
With some other guy, yeah

I can't believe I can be worried about her  
I shouldn't doubt her  
'Cause our thing is for real and I don't worry  
'Cause I know, I know, I know

No matter where my baby is  
She never leaves me without love  
She gives it up till I get enough  
Then I'm alright  
'Til my baby comes home

If she stays away for long  
She calls me on a phone  
I jump up when I hear her voice  
Then I'm alright  
'Til my baby comes home

Bring it on  
Home to me  
She makes everything alright, she's  
Good to me  
She's the best part of my life  
Can't you tell  
That I'm just like a new guy, I'm doing  
Very well  
'Cause I know shes coming back tonight

I can't wait, can't wait, can't wait, no  
I can't wait, can't wait, no

Every night when I sleep  
I dream of my baby she's such a lady  
Then I wake up and see  
That she's laying by me right there beside me

I can't explain how I fell  
I really love her, keep dreaming of her  
'Cause our love is for real and I don't worry  
'Cause I know, I know, I know

And no matter where my baby is  
She never leaves me without love  
She gives it up till I get enough  
Then I'm alright  
'Til my baby comes home

Now if she stays away for long  
She calls me on a phone  
I jump up when I hear her voice  
Then I'm alright  
'Til my baby comes home

Alright  
'Til my baby  
'Til my baby  
'Til my baby  
'Til my baby  
'Til my baby  
Then I'm alright  
'Til my baby comes home

'Til my ba-ba-baby  
My ba-ba-baby  
My ba-ba-baby comes home  
Then I'm alright  
'Til my baby comes home

'Til my ba-ba-baby  
My ba-ba-baby  
My ba-ba-baby  
Then I'm alright  
'Til my baby comes home

'Til my baby  
'Til my baby  
'Til my baby  
Then I'm alright  
'Til my baby comes home  
'Til my baby comes home
