Dear Diana, I know I've said this before
But I'm sure this time
It's really love

The world's sweetest lady
Lives around my way
And I think that I'm in love

Hey there, sweet one
You don't know what you've done
I was once so lonely

Now, I only think of love
Of love, sweet love
And you're the sweetest one

(The sweetest one)
I've ever known
(Sugar and honey)
You're the one

(You are the one)
The sweetest love
(The sweetest one and only)

I'm in love forever
With the sweetest lady
And I know she love me too

Hey there, sweetness
Girl, believe me you're the best
You are quite amazing

I'll forever stay in love
In love, sweet love
'Cause you're the sweetest one

(The sweetest one)
I have known
(I've ever known)
Everyone

(Everyone)
Says it's love
(Says we belong together)
Yeah

(The sweetest one)
The sweetest love
(Sugar and honey)
You're the one

(You are the one)
And I'm in love
(The sweetest one and only)
Yeah, ooh, yeah, yeah

Hey there, sweetie pie
People never ask me why
'Cause it's so easy to see

Why I'm so sweetly in love
In love, sweet love
And you're the sweetest one

(The sweetest one)
I have known
(I've ever known)
Everyone

(Everyone)
Says it's love
(Says we belong together)
Yeah

(The sweetest one)
The sweetest love
(Sugar and honey)
You're the one

(You are the one)
And I'm in love
(The sweetest one and only)
Yeah, ooh, yeah
