Yeah what's up my people?

You know, I am your weather man, Busta Rhymes
I've come today to give you your weather forecast
You know today looks like one of those beautiful days
You know, to be perfectly honest

There ain't a cloud in the sky
You know this is the kind of weather that
You take your girl to the beach, lay her down and talk to
her
Luthor, step to the microphone

When I wake up in the morning love
And the sunlight hurts my eyes
Something strange without a warning love
That's heavy on my mind

Then I look at you and
And the world is alright with me
Just one look at you
And I know it's gonna be

A lovely day
(Lovely day, lovely day, lovely day)
(Gonna be a)
(Lovely day, lovely day, lovely day)
(Lovely day)
A lovely day
(Lovely day, lovely day, lovely day)
It's gonna
(Gonna be)
(Lovely day, lovely day, lovely day)
(Lovely day)

When the day that lies ahead of me
Seems impossible to face
When somebody else instead of me
Always seems to know the way

Then I look at you and
And the world is alright with me

Yeah just one look at you
And I, and I know it's gonna be, yeah

A lovely day
(Lovely day, lovely day, lovely day)
(Come on, come on)
Come on
(Lovely day, lovely day, lovely day)
(Lovely day)
A lovely day, say it, say it
(Lovely day, lovely day, lovely day)
(Come on)
(Say, come on)
(Lovely day, lovely day, lovely day)
(Lovely day)

It's gonna be a lovely day
(It's gonna be)
It's gonna be today
(Oh yeah)
It's gonna be a lovely day

Today I love the world
(World)
And I love you, yeah

Let's take a ride baby and park under a lamp post
Recline your seat, relax and let's listen to Mr. Vandross
I'm watching how my mami watching her dude
Creatin' a situation to put us right in the mood

Say it I've got plenty suggestions on things we can
maybe do
Especially when we rockin' the songs we make babies
too
You know the way we do baby and as we lay I look at
you
And sit back and think how today was such a lovely day

Lovely day, lovely day, lovely day
(Come on, come on)
Lovely day, lovely day, lovely day
(Lovely day)
Lovely day, lovely day, lovely day
(It's gonna be a)
(Say it, come on)
Lovely day, lovely day, lovely day
(Lovely day)
(Oh yeah)

It's gonna be a lovely day

(It's gonna be)
It's gonna be today
(Today)
It's gonna be a lovely day

Today I love the world
(World)
Let's sing it together

It's gonna be today, oh lovely day today
(Gonna be a)
It's gonna be today
(All day long)
It's gonna be today oh lovely day today
(Today is)
(Gonna be)
It's gonna be today
(So lovely, yeah)

And I think I'm gonna go
'Cause I heard so much about it
Maybe I go for a little while
And I love everything about it
Not a self in anyway
Even stand to stop another one
Yeah
