I'm only human baby
Ain't I allowed to make mistakes
You put your guilt on me
And it's causing my poor heart to break, yeah
Making me the human that I am

Won't you forgive me baby
I'm only human baby
Won't you forgive me for that?
Won't you forgive me baby
I'm only human baby
Won't you forgive me for that?

Your love can be so strong
It makes it hard to give some back
So I try and I try and I give and I give
And I get so darn excited I can't relax
Making me the human that I am

I'm only human baby
Ain't I allowed to make mistakes
You put your guilt on me
And it's causing my poor heart to break, yeah
Making me the human that I am

When we search for love
We must be lucky, baby
And it's because there are many people in the world
Who think love is not that necessary
I had you and I blew it all

I'm only human baby
Ain't I allowed to make mistakes
You put your guilt on me
And it's causing my poor heart to break, yeah
Making me the human that I am

And now I know for sure
I must be lucky baby
You chose me out of all the people in the world
And I think love is very necessary

You've forgiven me after all
'Cause I let you know

I'm only human baby
Ain't I allowed to make mistakes
You put your guilt on me
And it's causing my poor heart to break, yeah
Making me the human that I am

Just like you, my love
Just like you, my baby
Just like you, my love
Just like you, my baby
If you forgive, if you forgive me too
