Howdy, hey  
Is there anybody in there?  
Nod if you can hear me  
Is there anybody at home?

Come on, now, I hear you're feeling down  
I can ease your pain, get you on your feet again  
Relax, I need some information first  
Just the basic facts, can you show me where it hurts?

There is no pain you are receding  
A distant ship smoke on the horizon  
You're only coming through in waves  
Your lips move but I can't hear what you're sayin'

When I was a child I had a fever  
My hands felt just like two balloons  
Now I've got that feeling once again  
I can't explain, you would not understand, this is not  
how I am  
I have become comfortably numb

Okay, just a little pinprick  
There'll be no more, ah, but you might feel a little sick  
Can you stand up? I do believe it's working good  
That'll keep you going through the show, well, come  
on, it's time to go

There is no pain, you are receding  
A distant ship smoke on the horizon  
You're only coming through in waves  
Your lips move but I can't hear what you're sayin'

When I was a child, I caught a fleeting glimpse  
Out of the corner of my eye  
I turned to look but it was gone  
I cannot put my finger on it now, the child is grown, the  
dream is gone  
And I have become comfortably numb
