It's another late night call
From my best friend told me all
How you're treating her so bad
Lost the best thing you ever had
He's just a juggabo
Mistreating you
How much more can you take
Before your heart breaks
She says:
I love he, and he loves me
And that's all that matters
That's all that matters sugar
I loves he and he loves me
That's all that matters
That's all that matters
Last thing I heard
He was seen in oakcliff close to zang
He was up to no good
Doing his thing
All that matters (continued)
Seen at the carwash
Where they let it all hang out
Handing those twenty dollar bills
What's that all about
He is just a juggabo
Mistreating you
How much more can you take
Before your heart breaks
She says:
I love he, and he loves me
That's all that matters
That's all that matters sugar
Haven't you heard
You've gotta kick him to the curb
You've gotta kick him where it hurts
She says:
I loves he and he loves me.....
