Everybody is moving to a hard beat Stepping out in time Right across the cities and the backstreets This is what you?ll find

When you step inside that rythm Everythings forgiven Can?t you feel The music still Your the pain in every heart

I believe in the power of music
Put my faith in the power of love
Hooked on a feeling and I?m gonna use it
Because I know
I know music is the power of love

Everyone who?s looking for an answer Says it?s hard to find I don?t think you?ll ever gonna find it Searching with their minds

So let that spirit guide you Moving right inside you Cant you feel The music still Hear the beat in every heart

I believe in the power of music
Pu my faith in the power of love
Hooked on a feeling and I?m gonna Use it
Because I know
I know music is the power of love

I feel the power
I feel the power
I feel the power of music

I feel the power
I feel the power
I feel the power of music

So let that spirit guide you Moving right inside you Can?t you feel the music still The beat in every heart

I believe in the power of music
Put my faith in the power of love
Hooked on a feeling and i?m gonna use it
Because I know
I know music is the power of love

I feel the power I feel the power I feel the power of music
