Been around, seen it all
I've had my share of takedowns
Had my back to the wall
Got caught up in the shakedowns
I've learned tha the talkers
Don't always tell the truth
I've learned that the secret
Is knowing what to do
You can walk the walk
You can talk the talk
But I need to be satisfied
If you want my love baby
Listen now
Keep me satisfied
I ain't down with those games
So don't be playing on my time
Others girls might be fools
You ain't messing with my mind
I've learned it can glitter
But that don't mean it's gold
I've learned that a woman
Needs someone she can hold
I'll be your everything
I won't be denied
I'll be your fantasy
If you want me
Keep me satisfied
You can walk the walk
You can talk the talk
But I need to be satisfied
If you want my love
Baby listen now
Keep me satisfied
