I sometimes think that after a drink or two
I shouldn't be living in Dallas
I'd go far from the city
I would read the graffiti
And I would buy me an Oceanside palace
Plano, Texas, USA
This is what I've got to say
I do things in my own way
Plano, Texas, USA (x2)
I think it's cool, when I skinny-dip in my pool
And the neighbors are looking
And I'm breaking the rules
I won't conform ya'll
To the norm ya'll
I think I go and do what I wanna do
Plano, Texas, USA
This is what I've got to say
I do things in my own way
Plano, Texas, USA (x2)
And the feeling is strong
And it's lingering on
I've gotta move on
And it's almost night
I think I'll put on my thong
Let's get it on
Plano, Texas, USA
This is what I've got to say
I do things in my own way
Plano, Texas, USA
Plano, Texas, USA
This is what I've got to say
I do things in my own way
Plano, Texas, USA (repeat to fade)
