Cause all the love you had to give
was never, never ment for me.
I see the way you look at her
She's everything you're living for.
And now there's such a miracle
when it comes knocking at your door, but
I don't know what to do, I'm in love too.
Can't see where I'm supposed to go from here, oh
Chorus:
There's no way in, there's no way out
you're the one I'm living for
you're the one I have to live without.
I came on, oh
I can't let go
cause I have found the greatest love,
the greatest love you'll never know.
So until I find my way
tomorrow's just another day.
And you are just a lonely wind
that never ever sees the way in.
Someone hear my prayers
someone somewhere
cause I know I can't go on this thing forever.
Chorus
Bridge:
I've never laughed, I've never cried
our love can't live
but my love, my love will never die
Chorus
I'm living for a fantasy, something that could never be
