In the summer of '75
he said
you'll play a part in my life
in the autumn of '75
he said
would you
would you be my wife
in the winter of '76
he said
thanks for the wonderful time
I'm not the type of a familyman
you go your way
so I go mine.

Ooh
ooh
aah
aah
he's such a Casanova
if you meet the man
do you remember then
keep away from the sofa
he's such a Casanova
in the dancin' place
you will know the face
by the glance of his eyes
he'll come and ask you for some tango
he'll say you're dancin' quite allright
aah
aah
you're drinking too much vino
with him aah
you can stay the night
he's such a Casanova

in the dancin' place
you will know the face
by the glance of his eyes.

Talent leather boots over tight pants
open shirt and well-manicured hands
shiny chain round the wrist and the neck
ooh that man is as sharp as a tack
If you want him

to me it's alright
though you know that you're not bein' smart
there's only one thing I guarantee you
that one day soon he'll break your heart.

Ooh
ooh
aah
aah
he's such a Casanova
