Sing me, sing me a chanson
Sing me, sing me a sweet love song
Sing me, sing me a chanson
That is the only thing I want
Kiss me, kiss me, kiss me please (Kiss me, kiss me,
kiss me please)
Kiss me like it's for the first time (Kiss me like it's for
the first time)
Kiss me, kiss me, kiss me please (Kiss me, kiss me,
kiss me please)
Honey you're wonderful to me

Hey, hello, so you're the greatest lover
Hey, hello, you're such a sexy thing
Come let's sing and let us dance all night
You make me feel, yeah, feel alright
Hey, hello, so you're the greatest lover
Hey, hello, you're such a sexy thing
Come let's sing and let us dance all night
You make me feel alright
Sing me, sing me a chanson (Sing me, sing me a
chanson)
Sing me, sing me a sweet love song (Sing me, sing me
a sweet love song)
Sing me, sing me a chanson (Sing me, sing me a
chanson)
That is the only thing I want

Hey, hello, so you're the greatest lover
Hey, hello, you're such a sexy thing
Come let's sing and let us dance all night
You make me feel, yeah, feel alright
Hey, hello, so you're the greatest lover
Hey, hello, you're such a sexy thing
Come let's sing and let us dance all night
You make me feel alright

Hey, hello, so you're the greatest lover
Hey, hello, you're such a sexy thing
Come let's sing and let us dance all night
You make me feel, yeah, feel alright
Hey, hello, so you're the greatest lover

Hey, hello, you're such a sexy thing...
