It doesn't hurt does it?
Yes it hurts like a motherfucker.

This ink is under my skin.
These metal holes in my flesh.
You ask me if it hurts?
I'm growling under my breath.
People get hurt yes, it sucks,
Some people trust and get fucked,
But where do you look for worth?
In hard work or blind luck?

Yes it hurts fucker, Yes it hurts fucker,
Yes it hurts, and I love it like it was my mother.
Yes it hurts fucker, Yes it hurts fucker,
Yes I'll take it and I'll smile and ask you for another.

Life is pain. Get used to it.
Take it all. Feel it grind.
Use your pain. Focus it.
Now you know, You're alive.
Are you alive?
