Just say you won't
Say you won't keep me waiting
Say you won't keep me waiting
Say you won't keep me waiting
You know how much I don't like waiting
Just say you won't
Say you won't keep me waiting
Say you won't keep me waiting
Say you won't keep me waiting
You know how much I don't like waiting

Whenever you're lonely
You always run to me
Or whenever, whenever, whenever you want me
I'm there

I need you to be there for me
But whenever I need ya why don't I see ya
Is that too much to ask
I'm a woman who stands on her own
But knowing you're there
And showing you care
Is all I want

Just say you won't
Say you won't keep me waiting
Say you won't keep me waiting
Say you won't keep me waiting
You know how much I don't like waiting
Just say you won't
Say you won't keep me waiting
Say you won't keep me waiting
Say you won't keep me waiting
You know how much I don't like waiting

Just say you won't
Just say you won't
I won't be waiting on you
Just say you won't
Just say you won't

No time to be wasted
Will you be there for me
Don't answer my question with maybe
Say yes

I need you to be there for me
But whenever I need ya why don't I see ya
Is that too much to ask
I'm a woman who stands on her own
But knowing you're there
And showing you care
Is all I want

Just say you won't
Say you won't keep me waiting
Say you won't keep me waiting
Say you won't keep me waiting
You know how much I don't like waiting
Just say you won't
Say you won't keep me waiting
Say you won't keep me waiting
Say you won't keep me waiting
You know how much I don't like waiting
