I don't love you  
'Cause you don't love at all  
I don't need you  
'Cause you live for the fall

I don't like your face!!!

I don't like you  
When you breathe out at all  
I don't want you  
I jsut want you to crawl

I'm so glad you sure look bad to me now  
I'm so glad I made it past the "me" boy

I don't love you  
I don't need you at all  
I don't like you  
I don't want you at all

I'm so glad you sure look bad to me now  
I'm so glad I made it past the "me" boy

Time is on my side  
I ate your pride  
Just run and hide

I don't like your face!!!

I'm a bitch inside

I'm so glad you sure look bad to me now  
I'm so glad I made it past the "me" boy

I don't like your face.....face!!!

I just don't like your face
