Run away with me tonight
Bring your innocence to thrill me
'Cause you scream right through me
Like a madness
Harnessed to me
Contradicting any badness

Won't you come and play with me
Hide-and-seeK and follow me
I want you to play with me
Again...Again...Again!

Play a give-away on me tonight
Taste my little heart under your finger
As your kiss runs through me
Like sedation
Hypnotize me
Into dark and sweet temptations

Won't you come and play with me
Hide-and-seeK and follow me
I want you to play with me
Again...Again...Again!

I want you, want near you
In you all the time
I want, I want near you
Make you mine

Won't you come and play with me
Hide-and-seeK and follow me
I want you to play with me
Again...Again...Again!
Won't you come and play with me
Hide-and-seeK and follow me
I want you to play with me
Again...Again...Again!
Again...Again...Again!
