Sweet racket, everyone is upset
Are you still ver ?
Oh ch?rie, don't,
We were Chained, Flesh coloured links,
I used to be your Hero,
Oh ch?rie, don't,
I was hooked to the sofa,
But suffered broken arrows,
Sleep to feel the lips' dream,
Feel the real,
Fear the real,

EVERYTHING WE THOUGHT WAS WRONG,
AND NOW THE LIGHT HAS GONE,
EVERYTHING WE THOUGHT WAS WRONG,
AND I'D BEEN WAITING SO LONG
EVERYTHING WE THOUGHT WAS WRONG,
HOW CAN WE CARRY ON,

Something is strange,
In my own personal window,
Don't wanna change,
Make me forget
