"Stay Lovers"

Time is running and we are growing,
Is there something I can do ?
I suffer from a lack of explanations
Won't you tell me what I can do,

I won't be a fighter,
We ain't got the power,
To make it better,
To stay lovers,

The moon in wich we believed,
Can't do anything for us,
I want to dive,
You want to leave,
We are slowly sinking,
We are the fish we ain't got the time,
Don't explain what I want to do,
It seems I've tried almost everything,
Just to get closer to you,

I won't be a fighter,
We ain't got the power,
To make it better,
To stay lovers,

There is no point in replaying our own drama,
The hand of fate or some misguided karma,
Deny the obvious give up this existence,
I tried my hardest but met with your resistance,

There is no point in replaying our own drama,
The hand of fate or some misguided karma,
Deny the obvious give up this existence,
I tried my hardest but met with your resistance
