I expected you so much,I loved you so,We were  
together standing by the sea,Feet in the sand, Nice  
weather every day,  
I THOUGHT THAT YOU WERE FINE,THOUGHT YOU WERE  
KIND,I THOUGHT THAT YOU WERE FINE,THOUGHT  
THAT YOU WERE MINE,

Working 9 to 5, That's all you live for,Dancing and  
smoking,They colour your dreams,Well, well, nothing  
to add, Your fun burns our sun,  
Your fun burns our sun, sun, sun, sun  
Your fun burns our sun, sun, sun, sun  
Your fun burns our sun, sun, sun, sun  
Your fun burns our sun, sun, sun, sun

I THOUGHT THAT YOU WERE FINE,THOUGHT YOU WERE  
KIND,I THOUGHT THAT YOU WERE FINE,THOUGHT  
THAT YOU WERE MINE
