I expected you so much,I loved you so,We were
together standing by the sea,Feet in the sand, Nice
weather every day,
I THOUGHT THAT YOU WERE FINE,THOUGHT YOU WERE
KIND,I THOUGHT THAT YOU WERE FINE,THOUGHT
THAT YOU WERE MINE,

Working 9 to 5, That's all you live for,Dancing and
smoking,They colour your dreams,Well, well, nothing
to add, Your fun burns our sun,
Your fun burns our sun, sun, sun, sun
Your fun burns our sun, sun, sun, sun
Your fun burns our sun, sun, sun, sun
Your fun burns our sun, sun, sun, sun

I THOUGHT THAT YOU WERE FINE,THOUGHT YOU WERE
KIND,I THOUGHT THAT YOU WERE FINE,THOUGHT
THAT YOU WERE MINE
