Sometimes you wonder how much I care
I get so distracted running nowhere
And I take it for granted our love is secure
If I started losing you, one thing is sure

I'd be down on my knees, ready to pray, darlin'
Down on my knees, making you stay
I'd be begging you please, don't take your love from
me
I'd be down on my knees

I learned to be strong a long time ago
And I can face any wind no matter how hard it blows
But I'd have to be stronger than I want to be
If I had to live without you loving me

I'd be down on my knees, ready to pray, darlin'
Down on my knees, making you stay
I'd be begging you please, don't take your love from
me
I'd be down on my knees
No one matters more in my life
Or makes me feel like you make me feel inside
And I've come far enough to know, love's worth never
letting go of
And love is not a matter of pride, yes

I'd be begging you please, don't take your love from
me
I'd be down on my knees

Ready to pray, darlin'
Down on my knees, making you stay
I'd be begging, pleading, don't take your love
Don't take your love from me, no
I'd be down on my knees

See I'd be begging, I'd be pleading
I'd even cry for you, I'd cry for you, yeah

You know that I'd get down on my knees

You know that I'd beg and I'd plead and I'd cry, I'd die
Down on my knees
